Please wear your riding pants (jeans) and boots when you take measurements. A cloth tape works for taking measurements, just pull tape slightly snug, take measurements twice to compare accuracy. Most measurements start from bottom edge of belt.

1. Waist	Where chaps are to be worn usually. Directly below belt.	
2. Out seam	From waist measurement to floor	
3. Inseam	From crotch to floor	
4. Chink Out seam	From waist measurement to Middle of calf	
5. Rise	Below belt to upper thigh	
6. Upper thigh	Around largest part of thigh	
7. Thigh 2"	Below 6	
8. Thigh 3"	Below 7	
9. Thigh 3"	Below 8	
10. Knee	Around knee slightly bent	
11. Calf	Around largest part of calf
